MAGNETIC GARMENTS. WEAR "WILSONIA" AND LIVE. The success attending the use of the "WILSONIA" carments during the last two years in the cities of Brook lyn and New York has been unparalleled in the history of medicinal or electrical therapentics. No form of disease known to nosologists but has succumbed to the nativelous influences of the "WILSONIA'S" permiar combinations. The dry decomposition of metals in connection with a perfect non-conductor, has resulted in the evolution of a force absolutely indescribable by any of the laws commonly recognized by the scientists of tacky. Here in the cities of Broeklyn and New York over 20,000 ourse heliptess invalids are rejoicing in the bissesings of restored health.
